**PROFFER ON AWARD OF COMPENSATION**

On December 17, 2020, respondent filed a Rule 4(c) Report, in which he conceded that petitioner sustained a Table left shoulder injury related to vaccine administration (SIRVA) from the flu vaccine administered on November 27, 2017; that the records show that the case was timely filed; that the vaccine was received in the United States; and that petitioner satisfies the statutory severity requirement by suffering the residual effects or complications of her injury for more than six months after vaccine administration. ECF No. 18. On December 23, 2020, the Court issued a Ruling on Entitlement, finding that petitioner is entitled to compensation. ECF No. 19.

**I. Items of Compensation**

Based upon the evidence of record, respondent proffers that petitioner should be awarded \$90,000.00, which represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a).<sup>1</sup> Petitioner agrees.

---

<sup>1</sup> Should petitioner die prior to the entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

## **II. Form of the Award**

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment of \$90,000.00, in the form of a check payable to petitioner. Petitioner agrees.
